# Priorities—which workplace issues do you care about most?

**Give each of the items below a rating using the following guidelines:**

# Steps to Negotiate a Strong Union Contract

Our Bargaining Team can't secure a strong Union Contract without all of us working together and staying united. Our Union is only as strong as we make it. **Please be sure to fill out the contact information on the front page so we keep you updated!**

- Yes, I'd like to be on the Contract Bargaining Team.**  
*This means representing your co-workers at the bargaining table over several months or possibly longer. Some weekend or night meetings may be required. Contract negotiations are usually during the work day and pay for time lost is provided. If there are more volunteers than slots for the Bargaining Team, an election will decide the outcome.*
- Yes, I'd like to be on the Contract Action Team (CAT) for my work area.**  
*This means supporting my Bargaining Team by distributing flyers and other Union information, staying informed during contract negotiations to educate co-workers and occasionally bringing information back to the bargaining table.*
- Yes, I'd be willing to attend meetings, wear a button, sign a petition or do similar actions to help win a fair Contract.**
- Yes, I support my Bargaining Team and will stay informed during negotiations by reading my Bargaining Updates and checking our Union's website at [www.opeiu8.org](http://www.opeiu8.org).**
- It hurts us at the bargaining table when employers compare us to non-union worker standards. Help non-union workers become union in healthcare. Check here if you have a friend/family member who works *without* the benefit of a Union Contract. Fill in contact information on the front page.**

**Please return your survey to your steward or at one of the times listed.**
