Union Drop-In Meetings Wednesday, February 10

OPEIU Local 8 union representatives will be holding member drop-in meetings.

We invite all bargaining unit members to drop by during a break or before or after shift and get information on your contract, get your questions answered and voice any concerns you may have.

This will also be a good opportunity to drop off your OPEIU Local 8 membership card. Cards will be available at the meetings if you didn't get one. We will have copies of the union survey available that asks your opinion on your schedule and any other issues you may have.

Drop-In Meetings

Wed., February 10

11:00 am to 3:00 pm

9:30 pm to 11:00 pm

LP first floor conference room at FTJ

What is Happening with the Current Block Schedule?

Our union is conducting a scheduling survey. We want to make sure that everyone has an opportunity to voice their opinion about their schedule. Please fill out your surveys and bring them to the drop-in meetings on Wednesday. Once we have the results of your survey, we will have a

representative team meet with FTJ management and negotiate over the type of schedule. We need to make sure we have the best possible schedule that will allow us to best care for our residents and also for ourselves. The more people that participate in the survey the better the result we achieve.

We hope to see you at the drop in meetings on Wednesday.

Welcome To Our New Union Representative!

Allan Jacobson is now our Union Representative. Many of us will remember Allan from the original organizing campaign with Local 23. He was also involved in negotiating our current contract. Allan is taking

over the representative duties from Leslie Liddle effective immediately. Allan can be reached at (253) 677-3464 or allan@opeiulocal8.org Please contact him with any concerns you may have.

Shop Stewards

We are asking for volunteers to become a Shop Steward or a Shop Steward Alternate. So far we have gotten the following volunteers to be Shop Stewards: Sharon Ramos, Melissa McAtee and Nathan Shaw. For Shop Steward Alternates, Karina Bernal, Jackie Kekona, Danyiel Garcia and Kim Jackson have volunteered. If you wish to volunteer, please indicate that on your Union Survey or you can contact your Union Representative.

CPR Certification

Local 8 is also asking FTJ management for information regarding CPR certification. We want to know who has lost hours as a result of not having their certification up to date. We also want to know when CPR classes were offered. If you believe that you suffered a loss of pay due to an expired CPR certification please contact your Union Representative.
