Action Needed by Trios Workers

Currently Management is still not proposing cost of living increases that are comparable to what the Nurses are receiving. This is not acceptable. We need to send a message to the Trios Board that we are just as valuable.

Next **Thursday, May 12th** we would like to deliver the petition below to the Trios Board with your name included on the petition. To sign a petition see a bargaining team member listed to the right. We have also posted Petitions that you can sign on the Union Boards in the Break Rooms on 2N and 3N and on the Union Board near Service Elevators outside the Kitchen. **Please make sure you sign the petition by noon Wednesday, May 11.**

Also, plan on attending the Trios Board Meeting **Thursday, May 12 at 5 pm**, Southridge Care Center Executive Conference Room. Let's send a strong message that WE DESERVE more. And your presence at the board meeting can show them this is a priority for the workers at TRIOS.

Petition Reads as Follows:

We are all Trios.

Invest in the full healthcare team.

It takes a healthcare team to provide the great care we give to our community. Across all positions we uphold the values and mission of Trios.

That's why we, the frontline care team, are calling on administration and the board of trustees to uphold those values by recognizing that no position is greater than another. Our vision is to create a strong healthcare community but to do that, the hospital needs to invest in ALL staff with real wages that will recruit and retain qualified staff to our healthcare team.
