Vote **NO** on WPAS's Unfair Contract Offer

At our last session on April 27, WPAS provided us with their **last, best, and final offer** to take to a vote. We notified them at the table that we would vote this but that we would NOT recommend it be ratified. As we've reported out before, WPAS's proposals continue to include significant takeaways that would lower your Union standards and benefits. WPAS's proposals still include seniority takeaways, a lower standard of vacation and sick leave for new hires, medical plan changes to Plan B to name a few.

Your OPEIU Bargaining Team is recommending a NO VOTE on this contract offer.

We have asked to conduct our vote at WPAS's office and for release time for everyone to attend, but we are waiting to get approval and confirmation at this time. We have also requested an electronic version of their offer so that we can send it to you to review prior to the vote.

Please stay tuned for another update that will include the materials you will be voting on and the location & time of where the vote will be conducted.
