

Register Now for Valley Medical Center Shop Steward Training

Wednesday, September 16, 6:00 - 7:30 p.m. via Zoom

OPEIU Local 8 is holding a Shop Steward training exclusively for Valley Medical Center members on September 16 at 6:00-7:30 pm. Please join us to learn more about your Union, your rights in a Union workplace, the role of a Shop Steward and how to ensure ***we are the strongest, most organized Union we can be!***

What is a Shop Steward?

Shop Stewards are the Union leaders in the workplace. As a Shop Steward, you help to keep management accountable by making sure they are following your Union contract. You advocate for coworkers, and act as the eyes and ears of the staff Union Representatives. Active Shop Stewards are vital to a strong Union.

This training is especially designed for Valley Medical Center so we can focus on the role of the Steward in our workplace. OPEIU Local 8 offers Shop Steward trainings throughout the year should you wish to deepen your knowledge and strengthen your practice.

It is important to have Shop Stewards from a variety of locations, shifts and departments. The more perspectives we have involved, the better membership will be supported. For example, a Shop Steward who works at a clinic will have insights and experience a member at the hospital may not have and vice versa.

We encourage members to attend to learn more about the role of a Shop Steward and your rights in a Union workplace. By attending this meeting, you are taking the first step in learning more about your contract and rights in the workplace.
