

How can you support your union siblings?

When possible, always choose to buy UNION MADE products first:

When you buy union, you help keep the labor movement strong. You buy quality. And know it was made by someone that has good working conditions. You also support other hard-working-union families. If you want to check to see if a product is made by a Union supported family, please use the directory below: [Union-Made Product Search | Union Label and Service Trades Department, AFL-CIO](#)

When not able to buy Union, buy Local:

Not only will you reduce your carbon footprint and be environmentally responsible. You will support your local community and help 'mom and pop' stores survive.

And if you choose to buy from Amazon, consider Amazon Smile:

Amazon Smile is a program in which Amazon customers can sign up to have Amazon donate 0.05% of the price of eligible purchases to a charitable organization of their choice. We have set up the *OPEIU Local 8 Hardship Fund* to be one of those charitable organization. Of course, we believe that it is important for you to buy Union or to buy Local, but if you are going to shop Amazon, why not purchase through Amazon Smile and choose OPEIU Local Hardship Fund as your charitable organization of choice.
