For Local 8 Members at Willapa Harbor Hospital

February 18, 2021

Our Union Contract is now available on the Union Website. Here is the [link to find our contract.](#)

What's Happening?

Under the governor's Proclamation 20-24.2 the hospital is required to "[d]evelop and implement, or continue, and regularly evaluate and improve a management/ employee/ union (if applicable) group to review current PPE, projected PPE burn rates, and projected delivery of PPE supplies and understand how that impacts operations for PPE use twice a month." It also mandates that the Union and the Hospital must meet bi-monthly to review PPE supplies and other issues related to COVID. In our meetings the hospital reports they have been able to keep their PPE supplies in stock to meet the demand for all supplies except the oatmeal gloves, but they continue to try to order these gloves. Karisa Makaiwi Hodel and Shelby Mooney, Union Representative attend these meetings. If you have any PPE or other issues relating to COVID-19 that we need to raise, please contact Karisa or Shelby. Our next meeting is on March 2, 2021.

Our Union Shop Stewards are – Anna Anderson, Karisa Makaiwi Hodel, John Latimer and Tonya Rice.

If you have any questions, please reach out to your Union Representatives, Diane Arnold and Shelby Mooney, diane-shelby@opeiu8.org, 206-441-8880 ext. 115.
