For Local 8 Members at NWIRP

November 22, 2021

Our Bargaining Team has had initial meetings with management where we continue to push for more information about the budget and to get fair increases for 2022 and 2023.

Based on your feedback, we proposed an equitably distributed wage increase while still keeping rising inflation in mind. See the linked results of the [Wage Opener Survey](#) and the [COLA Adjustment Survey](#).

One consideration our team is making is whether to prioritize office space or if we can explore potentially allocating some of our office space budget towards salary increases. Please complete the [linked survey](#) regarding our office space by Wednesday, November 24, 2021.

If you have questions or comments, reach out to a bargaining team member or our Union Representative Phoebe Feldsher, phoebe@opeiu8.org
