Bargaining Update

Yesterday, the CRBS Bargaining Team – Marcy Hamblen, Roger Simmons and Bridget Hack – met with the Employer’s team in a short session to kick off bargaining.

First thing on the agenda was discussing healthcare costs. The current plans are coming in with an increase of 17-20%. After looking at the options, the Union team requested additional information from the Employer’s insurance broker and requested that the broker provide additional plans to review.

Your Bargaining Team has reviewed the survey results and will be making proposals to address those issues that you identified along with other changes to the contract.

Our next session is Monday, December 6. ***If you have any questions, please contact Leslie Liddle, Union Representative, leslie@opeiu8.org or 360-701-6615.***

Please note – we will not be sending any further updates to CRBS addresses. If you received this update in your CRBS email, please reply to this message (to sally@opeiu8.org) and give us your personal email so you can continue to receive Updates.
