OPEIU  
Local

*For Local 8 Members at Consejo*

January 28, 2022

OPEIU members,

You're invited to attend an OPEIU members meeting on Tuesday, Feb. 1 at 5:30 pm.

Your bargaining team is in negotiations with Consejo. Our bargaining proposals were created from members' responses to the bargaining survey. We presented proposals to address workload/staffing issues, leaves, safety, and wages. We have two more bargaining sessions scheduled. I hope you can attend this meeting to get more information.

OPEIU Local 8 Union President Kellie McGuire received an anonymous letter signed from the employees of Consejo Counseling and Referral Services.

The letter included the following:

- concerns with the relationship between OPEIU and Consejo Management
- employees are being encouraged by management to skip breaks
- employees are not being paid for overtime worked
- demeaning, disrespectful, and unprofessional treatment of employees
- lack of accountability between the board of directors and the director

I, as your OPEIU Union Representative, am available to respond to the concerns about the union's relationship with management and to discuss these issues. I have

scheduled a zoom to meet with you on February 1 at 5:30, click on the link below to join the meeting.
