Contract Bargaining Survey

Union Contract negotiations begin soon. To ensure our voices are heard and our Union Contract reflects your priorities, we need your participation. **Please complete this [online survey](#) by March 11.** (if you have already mailed in your paper survey, we might not have received it yet, so please go ahead and complete the online survey.)

The purpose of the survey:

- Help determine what improvements/changes you would like to see to your wages, benefits and working conditions along with any workplace concerns you may have.
- Nominate yourself to be part of the Union Bargaining Team.

We use the survey result information to develop our Union proposals which the Union Bargaining Team will present to management over the course of negotiations. Your identity will be kept confidential.

Thank you for participating!
