Union Meetings

Please plan to attend one of the upcoming Union Meetings.

The Union has our next Labor Management Committee meeting with CCAP on March 17, 2020, and we thought it would be a good idea if we had Union Meetings before, in case there are any concerns or issues that your Labor Management team needs to raise. We want to know what's working and what's not working for the caregivers and the clients you serve, and we need to hear your solutions to things that aren't working.

What is the Labor Management Committee? This committee is comprised of Union Stewards and management. We meet quarterly or more often if need be. We focus on developing a cooperative partnership between the caregivers and management to jointly problem-solve concerns or issues that caregivers or management bring to discuss. It does *not* take the place of contract negotiations.

Our Union Labor Management Team is ***Mary Fassnatch, Lori Lee-Rice, Georgia Peterson*** and Union Representative ***Shelby Mooney***.
