Hazard Pay to Continue through December 31, 2020!

Coastal Community Action Program received additional temporary Hazard Pay from the State that will be in effect from October 1, 2020 through December 31, 2020. This continuation will be at the previous rate of \$2.49 per hour for every hour actually worked. This increase will not apply to any non-worked paid hours such as Paid Time Off (PTO), Bereavement Leave or any other paid leave. Hazard Pay of \$2.49 per hour will continue for all hours worked through December 31, 2020.

Immediate Action Needed

OPEIU Local 8 along with The Long-Term Care Coalition is calling on Governor Inslee to reject the proposed budget cuts to Long Term Care in Washington State, that would drastically eliminate critical services that provide assistance with daily activities like eating, bathing, and taking medications. To contact the governor [click here](#) and urge him to protect our most vulnerable populations by preserving our budget for long-term care services.

Or **Call Governor Inslee at 1-800-833-6384** and leave this message:

My name is _____ and I live in _____. I'm calling to ask Governor Inslee to reject proposed budget cuts to long-term care in WA state. Without these services, thousands of seniors and people with disabilities will lose the care they depend on to live. It is wrong to cut services in the middle of a pandemic. Please protect Washington's most vulnerable and the long-term care system they depend on.

We ask that you contact the governor even if you have already sent or left him a message in the previous weeks about this issue. Also ask clients, family and friends to contact the governor too.
