King County Council Ratifies Total Comp Agreement!

Everything is on track (or perhaps even sped up) for when King County employees represented by the Coalition of Unions will receive their 4% increase. On Monday, April 1st the KC County Council officially voted (8-1) on the passage of our 2019/2020 Total Comp agreement.

The final step in the process is approval and signature from the County Executive. The Executive has 10 days to sign the Ordinance and after it is signed, then another 10 days must pass for it to become law. Once that takes place then King County will notify payroll to process your 4% wage increase and retro. We still do not know when you will see this on your paycheck so stay tuned!

In 2020 you should expect a 3% total general wage increase, split 1.5% on January 1 and 1.5% on July 1 and a one-time \$500 bonus paid out on January 1, 2020.
