We Have a Tentative Agreement for a New National Agreement!

The coalition of Kaiser Permanente Unions reached a Tentative Agreement with KP that, if ratified, will result in a new 4-year National Agreement. The national Bargaining Team, of which OPEIU Local 8 was a voting participant, is recommending that each local union vote to ratify the new contract.

In order for the terms and conditions to be implemented as soon as possible if ratified – including a 3% wage increase for KP/WA bargaining unit employees – we are asked to hold votes around the country by October 21. Here are the voting dates for OPEIU Local 8 KP/WA members:

Saturday, October 12
