Union ★
Update

OPEIU
Local

for OPEIU Local 8 members at Kaiser Permanente/Washington

CAUTION!!! It has come to our attention that some managers are requesting to audio or video record investigatory meetings with employees. Washington State law requires that both parties must agree to audio recording for it to be used in any capacity. Our stance, as union members, is to 'Just Say No!!' should your manager ask your permission to record a meeting.

Don't just say Heroes, Pay Heroes. We are still working toward securing a Heroes Bonus for our KP members. KP Coalition of Unions representatives and KP National are still discussing the bonus. To keep the conversation going all KP Members in all regions are doing a moment of silence on December 10th at noon PST. Associated Press (AP) has picked up on the story so our job is to keep up the good work and let KP know that we would deserve the Heroes Bonus.
