For Local 8 Members at Northwest Justice Project

March 18, 2022

Members at NJP overwhelmingly ratify contract with 99% YES vote!

This 3-year OPEIU contract increases wages, introduces compensation for bi-lingual employees, adds three new paid holidays, improves bereavement leave, paid parental leave, and bonus longevity vacation, streamlines the process for internal transfers, and allows greater flexibility and transparency around wage placement.

Much appreciation to the Union Bargaining Team for their thoughtful approach and overall grit and tenacity during the bargaining process! Many thanks also to all the active and determined members that supported the team, attended regular Union meetings, continued to be visible and vocal in town halls, and voted. Your participation keeps the Union strong!
