*For Local 8 Members at Northwest Justice Project*

March 4, 2022

Moments ago we reached a Tentative Agreement in negotiations on the successor contract. Details and voting logistics will be forthcoming early next week but the Union Bargaining Team feels good about the improvements secured and will be recommending a “YES” vote. We made slight progress even from where we ended yesterday. We’re confident we didn’t leave anything on the table! We know you need to see the specifics, and will get those to you ASAP, but wanted to at least provide this breaking news.

Stay tuned, more to come!
