## Loaner Laptop Program

With so many of our meetings going virtual, the Race, Equity and Social Justice (RESJ) Committee is piloting a "loaner laptop" program at Local 8. Access to electronic devices should not be a barrier for participation in our meetings. Local 8 has purchased two chromebooks which members may borrow in order to effectively and fully participate in our union meetings (e.g. Membership Assemblies, Regional Meetings, or the Steward and Leadership Conference). The laptops will be checked out on a first come basis and will be reserved for those members in good standing who state they have no other

meaningful way in which to access the event remotely.

Please contact [valarie@opeiu8.org](mailto:valarie@opeiu8.org) if you would like to request a device. You will need to state your name, workplace, and which OPEIU LOCAL 8 meeting you would like to use the laptop for. Please note, Local 8 will provide the laptop but members will be responsible for securing an internet connection.
