## **Contract Bargaining**

**It's time to bargain our new contract!**

If you want to be on the bargaining team, you can nominate yourself or a coworker. It's important we know what you want to see changed or added for our upcoming bargain. By filling out bargaining surveys, we can create proposals to present to management about what is most important to us. **Surveys must be completed by July 10, 2022.**

You can access the online surveys below:

[Survey \(in English\)](#)

[Survey \(en Español\)](#)
