Painting with a Purpose

Join us on Zoom for live step-by-step instruction to paint the painting below as a PAC fundraiser. Regardless of whether you can draw questionable stick figures, or are more advanced, it will be a lot of fun! Our instructor will teach at a beginner level, but there will be tips and tricks for intermediate and advance painters too. Keep in mind all pictures will be slightly different but still amazing!

JOIN OPAL NOW

Workers' rights, and specifically Union workers' rights, are under attack by corporate-backed candidates who want to erode the current laws that benefit working families. We must fight back in our workplaces, at the bargaining table and at the legislative level or risk losing all we as workers have fought to win over the years. The Political Action Committee (OPAL) is a great way for Local 8 members to work together to be engaged in the political process in the communities we work and live in. From member education and getting out the vote, to direct action, lobbying our elected representatives and deciding which initiatives, issue campaigns and candidates to support, there are many ways members can make a difference. Meetings are held monthly, usually on the first Tuesday of each month at 6:00pm via Zoom.

Become a member of OPEIU Local 8 Political Action Committee (OPAL) and make sure your voice is heard! [Join here.](#)
