Contract Bargaining Update

Our Bargaining Team continues to meet with management to bargain our first union contract. We have reached some agreements around Union business including employee's rights to access their personnel file and notification to newly hired employees about Union membership. We have also reached agreements about the definition of the leave year and use of PTO for sick leave purposes. Our bargaining team continues to make progress and reach agreements for a fair first contract.

We have scheduled additional bargaining dates on Monday August 1st and August 10th.

We are fighting hard to secure strong contract language to ensure safety and security along with equity.

Please join us for an all-bargaining unit update meeting by Zoom on August 9th at 7:00pm.
