Bargaining Proposal Survey Reminder

In contract negotiations last week, Crisis Connections proposed keeping the monthly healthcare premium split the same. That is, the employer would cover the entire cost for "employee only" coverage on the Kaiser HMO plan but does not cover any portion of an employee's dependents (spouse and/or children). We previously heard from employees that this approach was not family friendly since adding dependents was cost prohibitive and that changing this was a priority.

Please help inform how the Union Bargaining Team moves forward on the health insurance proposal by completing this quick survey by 5pm on Monday, September 12th. The survey is located here: <https://www.surveymonkey.com/r/5TKSDDG>

Any information is useful regardless of whether/what type of insurance coverage you have through Crisis Connections!
