**Update**

**OPEIU**  
Local

*for OPEIU Local 8 members at Kaiser Permanente*

**Time is running out.... ACT NOW!!**

If you have not completed the survey, please take time to do it now!! [Click here to take the survey](#). If you are not able to do it now, please send it your home email address to complete this weekend. This survey is how OPEIU 8 knows what you want and what issues are most important to work on during negotiations.

Down below is the link for our initial **Contract Survey** as the Coalition of Kaiser Permanente Unions (<https://www.unioncoalition.org/>) prepares to bargain our next **National Agreement (NA)** with Kaiser Permanente in 2023. The [National Agreement](#) is bargained with all the Unions represented by the Coalition and determines annual pay increases, market adjustments to wages and other benefits and working conditions.

OPEIU Local 8 has been a member of the Coalition since 2017 after Group Health Cooperative was purchased by Kaiser Permanente and our members voted to join the Coalition. OPEIU Local 8 members have been covered by the National Agreement since 2019. We also have a local [Collective Bargaining Agreement](#) that covers such issues as leaves, PTO, hours of work, and holidays.

**Please take a few minutes and fill-out the [Coalition's Contract Survey](#) by Friday, September 23.** We need the Coalition to know what's important to KPWA Members so our voices can be heard and our issues will be included in next year's national negotiations.

**Survey results will be shared but all individual responses will be confidential.**

**Thanks for your participation!**
