## **Bargaining Update**

Your bargaining team has been doing a fantastic job!

We have made a lot of headway in our current negotiations and feel that we are very close to finishing up.

Our next meeting with management is on Monday, March 27th. We are very hopeful that will be our last meeting and we can move forward with a ratification vote after that.

If you see any of the Bargaining Team, give them a pat on the back because they sure deserve it!
