## **Bargaining Survey Results Meeting**

Thank you to all those who completed the bargaining survey as we get ready to negotiate a new union contract. Bargaining surveys are a great way to set priorities for contract negotiations. We will prioritize bargaining over wages, benefits, staffing and working conditions based on what you shared.

Come join our Union Representative during the following meetings to discuss:

- Surveys results and discuss bargaining priorities
- Meet our contract bargaining team
- Hear ways to stay engaged throughout the negotiation process

Even if you missed completing a bargaining survey, we encourage you to come out and let your voice and priorities be heard!
