Bargaining Survey Meetings

We are filling out Bargaining Surveys – RSVP for an event in your area!

Our voices make a difference when we set priorities for contract negotiations. Bargaining Surveys help us prioritize what issues we focus most on during Negotiations. You can fill out a survey online and we are inviting all of you to meet in person at one of the times/locations listed below to talk with your Representatives.

Come meet to discuss bargaining and get your Survey started on May 8, 9 and 10th (see locations and times below):
