Bargaining Update

Homecare workers at SLR are getting ready to bargain a new contract and we are talking about what improvements we would like to see in our contract. We all help identify and prioritize items to bargain by filling out Bargaining Surveys. Your survey is kept confidential and will only be used by Union Representatives to identify bargaining priorities.

What can we bargain?

We can bargain over many things in the contract, including:

- Wages
- Communications
- Transportation
- Training
- Benefits
- And more!

Surveys must be completed by May 17th.
