2023 Union Contract Bargaining Survey

It's time to negotiate for our new union contract! For us to win the best contract, we need to know what is currently working and what needs to be looked at. Knowing what is important to everyone is what helps us win a contract which works for everyone.

Pre-Bargaining surveys were sent to your mailing address on file this week. Please complete the survey and return it to the OPEIU8 office by **July 7th**.

Individual Survey results are kept confidential and only the OPEIU8 office will be notified of answers.

Nominate yourself or a coworker to be on the bargaining team. And participants of the bargaining team will be paid for all lost work time.

Text Messaging

During negotiations, it will be important that OPEIU 8 can notify you of any happening at the bargaining table. Informed, unified members win the best contracts!! Please sign up for text messaging so we can make sure to keep you informed.
