OPEIU
Local 8

for OPEIU Local 8 members at Kaiser Permanente/Washington

Please join your Coalition Members in a Virtual Town Hall on Thursday, June 29!

The 85,000 strong Coalition union members are standing together with our National Bargaining team to make change. Kaiser Permanente has made it clear that it does not respect the Labor Management Partnership and their employees. We need to stand strong and win the respect and contract we deserve! But we all have to be informed, understand the situation and commit to getting a strong contract that includes wage increases, fair and obtainable PSP bonuses, and staffing for the health and safety of both workers and patients.

Find out how by signing up for the June 29th Town Hall! Click on the link below to register NOW:
