OPEIU LOCAL 8 Stewards at Crisis Connections are employees who have taken on a leadership role with the Union! They are vital in advocating for a safe and equitable workplace with consistent and transparent working conditions. Stewards help communicate with members, management, and HR. They can also investigate grievances and contract disputes, attend investigatory meetings, and generally keep the membership informed and updated.

We are able to have up to ten Stewards in place and would ideally like to have all departments represented! If you are interested, please contact your Union Representatives.

Please join us in welcoming and congratulating our newest Stewards:

- **Bran Alexander, Call Specialist, 988**
- **Lauren Gougeon, Call Specialist, 988**
- **SK Lewis, Call Screener, Crisis Services**
- **Joseph Revard, Provider Outreach Coordinator, Washington Recovery HELP Line**
- **Darby Robertson, CSC, Crisis Services**
