## **It's That Time!**

It's time to get ready to start contract negotiations with MDC.

Please use [this link](#) to complete the bargaining survey.

Please consider volunteering for the Bargaining Team.

Bargaining Team members are released from their work assignments and will be paid for work time spent bargaining. We anticipate that we will be bargaining in person. It would be great to have at least one person from each of the major departments at MDC – Housing, Healthcare, Education, and Energy Assistance.

So please consider joining your co-workers on the bargaining team to ensure a good contract.

But don't forget to fill out the survey which provides guidance to the issues and needs that are important to the employees at MDC.
