## **Tentative Agreement Voted Down**

Wednesday evening we had a ratification vote and the Tentative Agreement was overwhelmingly voted down. A big THANK YOU to all who attended to have your voice heard!

This meeting was jam packed with your co-workers who are feeling very frustrated that they are not being listened to by management. We discussed the items that we still have concerns regarding. The bargaining team and Angie answered questions, listened to concerns, and discussed the proposals at length. We came away with real time ideas from all of you who are out there taking care of your clients/patients.

We would hope we can get another mediation meeting scheduled ASAP. Angie will be communicating as we move forward, so please stay tuned!
