Union Update

We are upholding our new union contract of 2024 by engaging with co-workers, management and Union Representatives. Our contract is held up by us, the frontline staff, bringing up issues and concerns as they arise. Much of what brings change is based on the feedback and issues that members raise.

Labor Management Committee: Our labor management process is a quarterly meeting where we meet with management and address our ongoing concerns. These can be anything from individual questions that need to be addressed to larger system wide issues. Some upcoming events that may impact you include:

- Wage raises and adjustments from bargaining.
- Vacation scheduling process – this has changed.
- Staffing, safety, and respect at the workplace.
- And more!

Union Meeting – Meet your Rep Jesse Holtzinger-Cruz
Thursday, February 15, 12:30-1:45 PM at the Conference Room.
