Join Us for a Virtual Bargaining Unit Meeting

Thank you to all who were able to join us for the in-person bargaining unit meetings on Monday, Tuesday and Wednesday. If you were unable to participate in one of the in-person meetings, we are having a virtual meeting today **April 17th from 5:30 - 7:00 pm** via Zoom (**Zoom link below**). Drop by any time during the timeframe to get access to the bargaining survey.

Your Bargaining Survey is how we set priorities for contract negotiations. **Our strength comes from being unified and taking actions, starting with the union bargaining survey.** We will prioritize bargaining over wages, benefits, fairness, staffing and more based on survey results. To ensure your issues are heard, we are asking everyone to fill out a bargaining survey. Surveys are used to collect information on bargaining priorities like wages that will recruit and retain, job transfers, staffing and more.

Wednesday April 17th:

5:30 - 7:00 pm
