OPEIU 8 Supports IBEW Local 46 Limited Energy (LE) Electricians On Strike!

The strike by Limited Energy (LE) Electricians represented by the International Brotherhood of Electrical Workers (IBEW) Local 46 in the Puget Sound area is now in its fifth week. The union reports that there has been no significant movement from National Electrical Contractors Association (NECA) negotiators from their contract offer that was unanimously rejected by the IBEW 46 members.

LE electricians install and maintain multiple life-safety systems, such as fire and security alarms, building access and HVAC controls, computers, phones, emergency radios, and more. However, they are paid significantly less than other Puget Sound-area unionized electricians and NECA negotiators have refused to grant them something that most workers have – paid holidays.

We're asking that OPEIU Local 8 members join our union siblings on their picket line this week for a couple of hours any time between 6:00 a.m. to 2:00 p.m.

Evergreen – 3623 East Marginal Way S – Seattle

Cochran Headquarters – 12500 Aurora Ave N – Seattle

Cochran Field Office – 8345 154th Ave NE – Redmond

A great contribution is bringing some food and water for the strikers. Hope to see you there!
