Union Update

Dear OPEIU Local 8 PRMCE members,

Season Greetings!

The RNS at PRMCE and CNAs in other Providence hospitals receive an hourly premium/differential if they are in the float pool or asked to float from their regularly assigned units. CNAs, Telemetry Technicians and HUCs at PRMCE do not receive a premium which is unfair and not in keeping with the values and mission of PRMCE.

Please join your Union bargaining unit co-workers and support the CNAs, Telemetry Technicians and HUCs by signing this petition to be presented to PRMCE management and Human Resources which will provide the same premium the RNs receive – an hourly float premium of four dollars (\$4.00) to all CNAs and Tele Techs in the Float Pool and an hourly float premium of one dollar and fifty cents (\$1.50) for all Certified Nursing Assistants, Telemetry Technicians, and Health Unit Coordinators when they float outside their assigned work unit.

Please click on the survey monkey link to sign the petition before January 10, 2024.
