Act Now! Petition to Trios Healthcare

Your Bargaining Team is preparing for our **first bargaining session on July 18** with the management of Trios Healthcare. We listened to your concerns, analyzed the survey results, and took the feedback you provided during the in-person meeting.

We now need to send a strong message to Trios that our members deserve a strong contract that shows the value of the workers, the value they bring to Trios and that Trios values us. So, we are asking you to take a quick moment to [sign this petition](#).

We demand:

- Fair, living wages
- Better leave accruals and ability to take leave
- Good healthcare and retirement
- Safe staffing and workloads
- Fair pay for differentials
- Fair low census language
- Better training
- Respect

To achieve our goals, we need you to stand up and take action! **Let Trios know that you support your Bargaining Team and these priorities by [clicking here and adding your name to the petition](#).**
